### Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Note B : Some substances (acids, bases, etc.) are placed on the market in aqueous solutions at various concentrations and, therefore, these solutions require different classification and labelling since the hazards vary at different concentrations. In Part 3 entries with Note B have a general designation of the following type: 'nitric acid ... %'. In this case the supplier must state the percentage concentration of the solution on the label. Unless otherwise stated, it is assumed that the percentage concentration is calculated on a weight/weight basis.

Full text of hazard classes and H-statements : see section 16

| SECTIO  | ON 4: First-aid measures  |   |  |
|---|---|---|--|
| 4.1.  | Description of first aid measures                                 |   |  |
| First-aid m   | neasures after inhalation :                                       | Remove person to fresh air and keep comfortable for breathing.  |  |
| First-aid measures after skin contact : Wash skin with plenty of water.       |   |   |  |
| First-aid measures after eye contact : Rinse eyes with water as a precaution. |   |   |  |
| First-aid m   | neasures after ingestion :  | Call a poison center/doctor/physician if you feel unwell.   |  |
| 4.2.  | Most important symptoms and effects                               | (acute and delayed)   |  |
| No additio  | onal information available  |   |  |
| 4.3.  | Immediate medical attention and spec                              | ial treatment, if necessary   |  |
| Treat sym   | ptomatically.   |   |  |
| SECTIO  | ON 5: Fire-fighting measures                                      |   |  |
| 5.1.  | Suitable (and unsuitable) extinguishin                            | g media   |  |
| Suitable e  | extinguishing media :   | Water spray. Dry powder. Foam. Carbon dioxide.  |  |
| 5.2.  | Specific hazards arising from the cher                            | nical   |  |
| No additio  | onal information available  |   |  |
| 5.3.  | Special protective equipment and pred                             | cautions for fire-fighters  |  |
| Protection  | n during firefighting :   | Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing.                    |  |
| SECTIO  | ON 6: Accidental release measu                                    | ires  |  |
| 6.1.  | Personal precautions, protective equip                            | pment and emergency procedures  |  |
| 6.1.1.  | For non-emergency personnel                                       |   |  |
| Emergenc  | cy procedures :   | Ventilate spillage area.  |  |
| 6.1.2.  | For emergency responders  |   |  |
|   | equipment :   | Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection". |  |
| 6.2.  | Environmental precautions   |   |  |
| Avoid rele  | ease to the environment.  |   |  |
| 6.3.  | Methods and material for containment                              | and cleaning up   |  |
| Methods f   | for cleaning up   | Take up liquid spill into absorbent material.   |  |
| Other info  | ormation :  | Dispose of materials or solid residues at an authorized site.   |  |
| 6.4.  | Reference to other sections                                       |   |  |
| For furthe  | r information refer to section 13.                                |   |  |
| SECTIO  | ON 7: Handling and storage  |   |  |
| 7.1.  | Precautions for safe handling                                     |   |  |
| Precautior  | ns for safe handling :  | Ensure good ventilation of the work station. Wear personal protective equipment.  |  |
| Hygiene m   | neasures :  | Do not eat, drink or smoke when using this product. Always wash hands after handling the product.   |  |
| 7.2.  | 7.2. Conditions for safe storage, including any incompatibilities |   |  |
| Storage co  | onditions :   | Store in a well-ventilated place. Keep cool.  |  |
| SECTIO  | ON 8: Exposure controls/persor                                    | nal protection  |  |
| 8.1.  | Control parameters  |   |  |
| ELISA K   | Kits  |   |  |
| No addit  | tional information available                                      |   |  |
